7th Dehradun International Science & Technology Festival

Presenting the 7th DISTF-2026 the Science and Technology mega festival with the extreme pleasure and enthusiasm. Dehradun International Science and Technology Festival (DISTF) is one of its kind a unique event that is continuously organized to provide a platform to everyone from the population of scientific and technological enthusiasts. The past four versions have witnessed the huge participation where the society has been benefitted with the plethora of events suited to cater the thirst and starvation for science and technology. Here we put the numbers of past year's participation and the number of events organized with whom and benefitting whom. As the betterment and growth is a natural phenomenon and so applies to the DISTF and hence this year expected 50,000+ visitors will participate the event from across the state physically and more than 1,00,000+ from across the Himalayan states virtually. The plethora of events can benefit the science and technology community including the school going Children, Science, Engineering & Medical Students, Scientific Authors, Science & Technology Bloggers and Vloggers or News Broadcasters/ Podcasters. The Teachers, Technocrats, Communicators, Scientists, Researchers, Venture Capitalist, Artists, Writers, Journalists, Administrators, Policy Makers and many more citizens amongst the others having temperament for science and technology all are welcome. The fabric of the 7th DISTF-2026 is full three days during 19-21 November, 2026 assimilating 25+ vibrant events encompassing the every wavelength in the world of the science and technology. There two main categories of the events, the Centralized Events spanning the full day activities and the Specialized Events for a specific interest group spanning through the particular duration.

PARTICIPATION

Students from schools, engineering/medical & science institutions, universities and children, science communicators, scientists, technocrats, teachers, artists, journalists, young/ budding authors, researchers, other science enthusiasts, science policy makers and citizens—all are welcome to participate in physical/virtual mode.
